

ORIGAMI ANGEL PAGE ONE

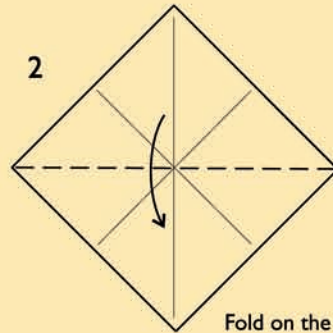

Before you get started you will need...

- 1 unwanted phonebook
- A pair of scissors to cut out the square
- 5 minutes of your time

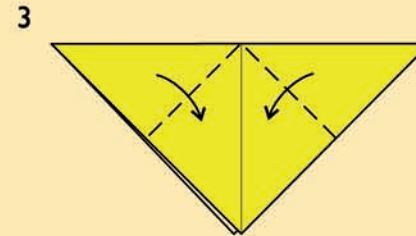

Start with a square piece of phone book paper

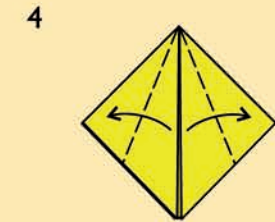

Crease the centre lines of the square.

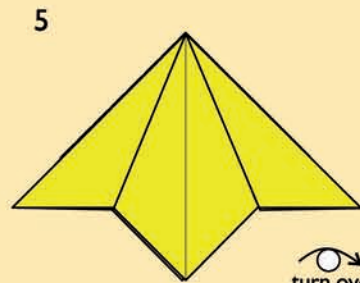

Fold on the diagonal

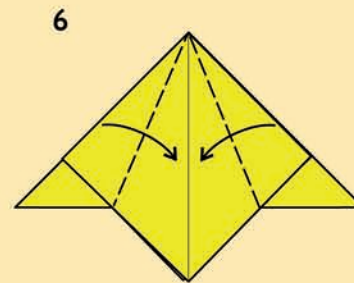

Fold the corners into the middle.

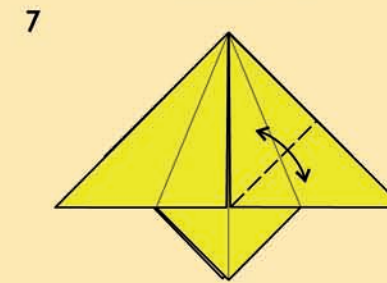

Fold the edges out to touch the folded edge.

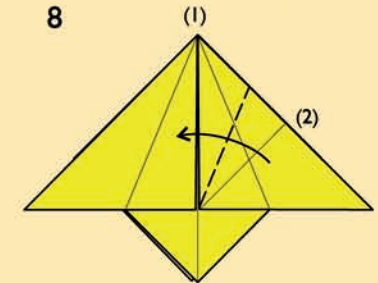

turn over

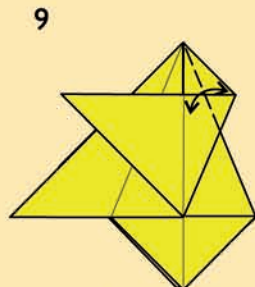

Fold the edges into the middle.

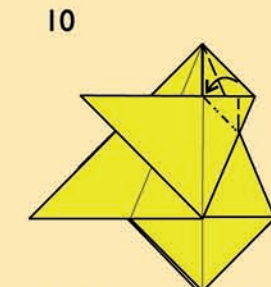

Make a crease along the middle of the triangle.

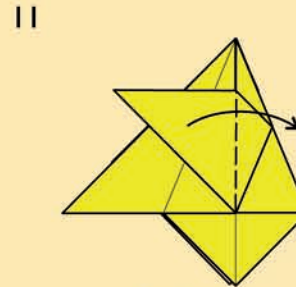

Fold the triangle so that the edge (2) meets the middle line (1).

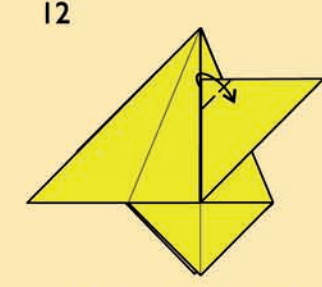

Fold and unfold.

Refold the crease made in step 9 folding the paper beneath the top layer.

Fold the wing over.

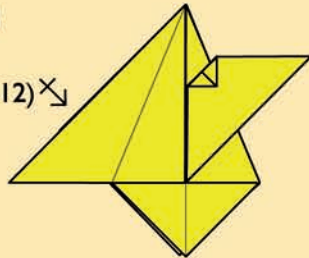

Fold over a small triangle to lock the paper.

ORIGAMI ANGEL PAGE TWO
